Summer 2019

## Teen Volunteer Program

Come spend the summer with experienced teachers specializing in project-based learning, and gain valuable work experience as you help lead themed educational adventures in and around Sunriver!

Sunriver Discovery Camp is looking for responsible, mature, and caring teens; who desire to be a positive influence in the lives of young children. Each teen volunteer will be paired with an experienced teacher, and will assist with activities for grades K-5<sup>th</sup>. Community Service Hours and reference letters will be available at the end of the summer.

This program is designed to provide meaningful experiences and opportunities for younger teens looking to give back, as well as introduce them to hands-on learning situations to help prepare them for future jobs.
